Pkg#: 3018 Scratch Distillery GINiology Class for Two \$300

Your Gin, Your Way...Welcome to GINiology! Want to make your own gin from Scratch? In this class you will: Start off with a drink and enjoy a quick history presentation of gin and distilling, enjoy a tour of our beautiful facility and learn about the distillation process, touch, feel, and smell the raw botanicals that are used in all of our individual distillations, taste samples and compare flavors such as Mandarin Orange versus Navel Orange, review the botanicals in many popular gins, receive advice and learn to create your own gin from our potato-base spirit with your unique palate and preferences, and help blend your own gin to take home with you that very same day in a custom 750mL bottle. Our class sizes are intimate with no more than eight students, so each GINiologist receives a personal experience. Love how your custom blend turned out? We record your custom gin recipe for any future orders, so you can enjoy it again and again with family and friends.
